UTA Returns

At last month's Council Meeting, Chris Chesnut of UTA initiated a discussion on UTA's current services in our area and solicited comments on what people would like to see UTA do in the future. Issues included high fares, the lack of bus routes and how long it takes to travel to destinations not on TRAX routes, and the absence of "Park and Go" lots in our area.

Chris is returning to this month to continue the discussion. Make a difference. Attend this month's meeting!
