City Council Candidate Forum

November 5th is Election Day. Early and Mail-in voting has already started.

The Fairpark Community falls within the boundaries of three City Council Districts. Two of these districts, Districts 1 and 3 are on this year's municipal election ballot.

James Rogers and Kevin Parke, candidates for City Council District 1 and Stan Penfold and Sherm Clow, candidates for City Council District 3 will make individual presentations and participate in a question and answer session.

Request to Amend Zoning Map for Property by Backman Elementary

Last March, the Fairpark Community Council voted to oppose an application to amend the Master Plan/Zoning Map for a development on 2.5 acres south Backman Elementary – approximately 550 North 1500 West. Current zoning allows single family residences on lots with a minimal size of 7,000 square feet. The new zoning designation will allow development on 2,000 square foot lots.

Shortly after the Council's vote in March, the developer put the application temporarily on hold. Last month the application to amend was reactivated for a project now involving only 1.07 acres. The developer has requested an opportunity to meet with the Fairpark Community Council to provide information on the revised project.

Come join us this Thursday at our Community Council meeting, to learn about the revised application for a zoning change and ask questions of the candidates. Community involvement is important to the future of our neighborhood.
