7:05 Legislative

No one is present

7:10 Event Parking

Jon Larsen, SLC Transportation Director discussed ideas for handling event parking. Lots of events are being planned for the Fairpark, encouraged an open discussion with community. Permit program a possibility, no event parking signs are hard to enforce.

Lots of questions and discussion ensued, good suggestions about parking issues.

General consensus there was support for 'no event parking' signs and possibly resident parking temporary tags.

Gentrification Study - University of Utah- Justyna Kaniewska presented a brief slide show.
