Michelle discussed mailer about development where the Walgreen's used to be located.

Chase had no updates from the homeless committee.

All Chay mural discussed and idea solicited, also there will be an alleyway clean-up. August we will have a big party celebrating mural.

6:35 Public Safety Report - North Temple issues

Detective Oliver reports North Temple is still an issue, stolen vehicle rammed a police car. Lots of arrests happening. This Saturday police department hosting a "gun buy-back". Academy class still has a couple more weeks until they are readying to get on the street. Det. Oliver gave the numbers.

Fire Department was in attendance. They reported the numbers. Discussed possibility of flooding. Bready.utah.gov has sandbag information, etc.

6:45 Mayor's offices

Josh Robello mentioned Julie's Love your Block funding, April 22nd is Jordan River clean-up day, you can sign up to volunteer on that day. Funding and grants for structural repair on houses, etc. for those that qualify. Question about equipment the city will provide to remove branches and things.

6:55 City Council

Victoria Petro-District 1, meeting with federal delegation and will be talking about transit and will mention the burying of I-15, discussed ADU issue, HRC overlay, geographical equity, etc. with homelessness issues. Westside city council meeting coming soon (April 18th, 7pm, Fairgrounds).

Chris Wharton- District 3, talked about community block grants. Will vote soon on ADU issue.

7:05 Community Discussion

I-15 expansion- Neighborworks will be heading and we will try to have this be a part of this.

29th Ward Church – petition, request to change to more community center, Whipple would like to come present to meeting.

Public Art (Love Your Block Grant)- clean up material funded.

Constitution Park transfer back to SLC, we will formally be asking for this soon. City being more reactive to neighborhood needs to be discussed. Keiko mentioned that the city parks have not been maintained well so need to consider this point. Comment made that enforcement of no camping, littering, etc. is not happening and is required to change the park. FCC will be writing a letter to City Council.

Logo and mailer are in the works.

Update RCO paperwork on boundaries- paper work is in the process.

Neighborworks asked to be on agenda for next time.

Plant swap discussed, the previous one was organized by former chair of FCC.

Elections- need to put together an election committee/slate, Nigel asking for volunteer to head it up since Anne P. is not in attendance, discussion ensued.
